

## Varsity Spirit Canada - House Requirements

Varsity Spirit Canada prides itself on the ability to host customers at our competitions. We believe that our customers and our brands should be the benefit from the business we bring into a city. In order to do so we respectfully require customers to stay in our partner hotels.

All teams that are 100 kilometers, or further away from the competition venue **ARE** required to stay in our host hotels. Failure to stay in our host hotels **WILL** disqualify you from bid eligibility..

Exceptions are as followed:

- You live under 100 kilometers or closer to the event venue.
- You are a one day only performance team such as: Prep, “One Run”
- If **ALL** of our host hotels are sold out and proper accommodations cannot be provided.
